ABOUT US

ZARKAY TRADING, CONTRACTING & SERVICES

Zarkay Trading, Contracting & Services Company was registered in Qatar in April 2018 to cater to the growing demands on General trading, contracting, procurements and services which includes but not limited to IT/Networking solutions, office equipment and solutions, office and school furniture solutions, interior fit-out projects, House/office Maintenances, Electrical Works, Fire Fighting/Preventing Works, Civil works, general procurements, etc.

ZARKAY is led by a focus and success driven CEO Sheikh Ali Thamer E T Al-Thani, a man dedicated to excellence.

ZARKAY brings diverse top-quality solutions to clients and customers who cherish and desire quality, turn-key service delivery, all round satisfaction, trust and utmost professionalism

Zarkay Trading, Contracting & Services Company meets the requirements of valuable clientele be it SMB, Corporate, Government, Education, Energy, Transportation, Finance, Construction etc.

Our company is committed to contributing to achieving Qatar Vision 2030 thus ensuring it is integrated into all our planning and executions. This is achieved through detailed planning and turn key solutions.

OUR VISION

Our vision is to be a leading provider of excellent and timely solutions to our stream of clients and exceeding their expectations with highest level of quality and professionalism.

- ◆ To provide our clients and customers with topmost quality of solutions and services.
- ◆ To value all Client interests and satisfaction in our planning and job executions.
- ◆ To deliver excellence in every business task with utmost professionalism
- ◆ To build long-term trust with our client through quality service delivery.
- ◆ To continuously review our methodology to ensure continuous organisational growth and service improvement.
- ◆ To ensure staff continuous improvement and market relevance through quality training and reviews.

OUR MISSION

QUALITY ASSURANCE & QUALITY CONTROLS

We are committed to ensuring absolute Quality in all our businesses and operational deliveries to our Clients and customers. This is achieved by ensuring competent Quality Assurance and control team inspect and monitor all our products and services in order to ensure all deliveries and jobs are done timely and meets clients/customer's specifications and satisfaction.

These will be achieved by;

- Sourcing and supplying of quality products and services, which are reliable and recognized in their respective fields.
- Research on new technologies, methods and products to meet client's satisfaction.
- Continuous evaluation of market feedback for continuous improvement.
- Creating an environment, which encourages and motivates employees to get involved and contribute towards Client's interest protection and satisfaction, alongside the overall organizational development.

HEALTH, SAFETY & ENVIRONMENT (HSE)

HEALTH, SAFETY & ENVIRONMENT (HSE)

The health & Safety of all our staff, customers, clients and those who may directly and indirectly interface and interact with our operations, are our utmost priority and as such ZARKAY has experience hands in health & safety management in ensuring that all our activities comply with Client's HSE requirements, local and international regulations with Zero accident.

We are committed to the absolute protection of the environment by ensuring all our environmental aspects does not interact negatively to cause any environmental impact.

In all we do, our objective remains ZERO Accidents ZERO harm. To achieve this, we assess all possible risk associated with each task and put suitable and sufficient measures in place to eliminate such risk were possible, otherwise we manage the risk to the barest minimum.
